Le goût du moche

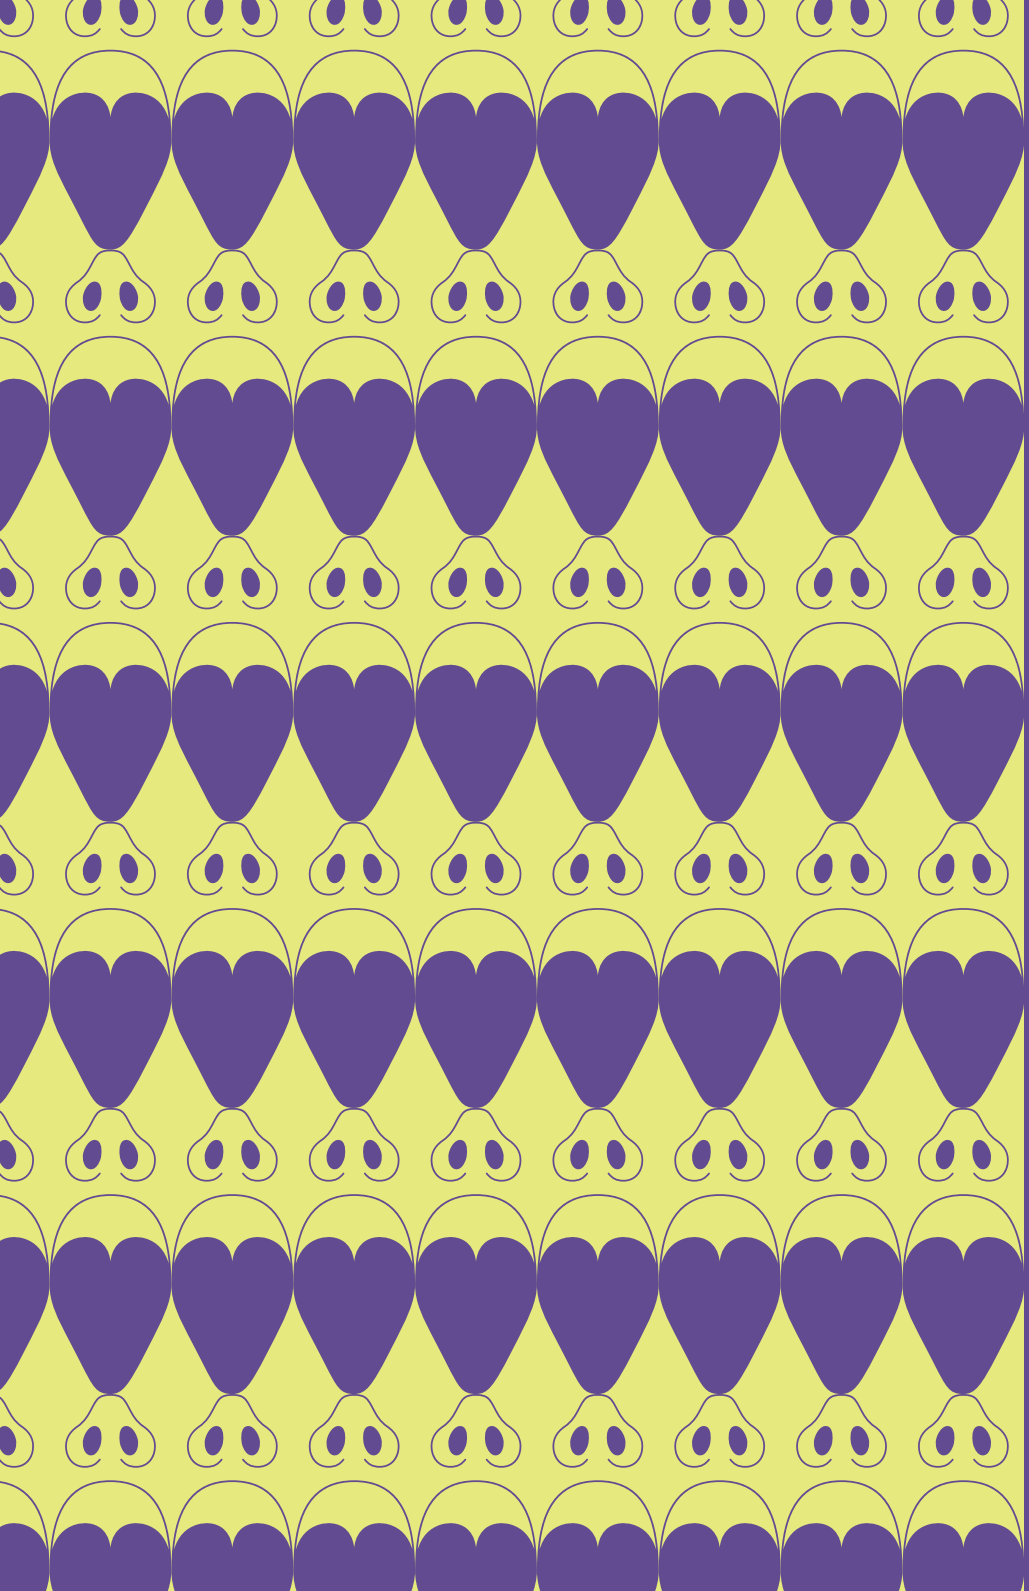

Flammarion

**« Le moche est une arme
qui en dit davantage
sur celui qui le regarde
que sur l'objet
en question. »**

**« Le moche
d'aujourd'hui
est le joli de demain
et l'étrange d'hier.
Parfois le contraire. »**

*À Raphaël, frère, BFF
et amoureux du moche sublime.*

The first of these is the fact that the system is not in a steady state. The system is in a steady state only if the rate of change of the system is zero. In this case, the rate of change of the system is not zero, and the system is not in a steady state. The second of these is the fact that the system is not in a steady state.
