JUNGLE!

The logo for the game 'Plants vs. Zombies' is centered at the top. The word 'PLANTS' is written in a large, bubbly, green font with a black outline and a slight 3D effect. Below it, the word 'ZOMBIES' is written in a grey, stone-like font with a black outline and a 3D effect. Between the two words is a grey tombstone with the letters 'VS.' on it. The tombstone is surrounded by green grass and two white daisies with yellow centers. The entire logo is set against a background of yellow and orange diagonal rays emanating from the top center.
